

Webinar Programme 2015

Quality Scotland will be hosting a series of free webinars to support our members through their excellence journey. These web-based seminars will provide members with an accessible way to learn and share best practice without having to leave your desk.

The webinars are organised through the GoToWebinar online platform. By clicking on the link provided below, you will register for the specific webinar. Joining the webinar is as simple as clicking a link in the registration confirmation or reminder email. There is no need to install any piece of software to attend one of the webinars.

Using the Excellence Model in Practice

The EFQM Excellence Model can be used in a variety of ways to achieve business excellence. This webinar will feature practical examples of how organisations have used the EFQM Excellence Model to implement business improvement.
